## **THE BOLSHEVIK REVOLUTION, 1917**

**What made the October Revolution in 1917 so different?**

**What is its significance?**

**Why is it still unique? Why was it so special?**

**What events did it set in train?**

**Are there still valid lessons for us from those times?**

**What is our predicament today?**

**What fate is in store for us if we accept present-day capitalism's folly?**

**Where is our class headed?**

**How do we look to the future?**

**Must we embrace revolution or can we still live with capitalism?**

**Which way brings work, health, peace and dignity?**

**...and which way creates unemployment, a privatised hell, war and brutish existence?**

**Do we want to take charge of our destiny, or do we succumb to decay and decline?**

**CELEBRATE HUMANITY'S GREATEST  
ACHIEVEMENT**
