1914 – 2014: 100 YEARS OF BRITISH WORKERS AGAINST CAPITALISM

The government wants to spawn four years commemoration of the futility, horrors and bloodshed of the First World War. This is a calculated threat to intimidate British workers and the workers of the world. We cannot ignore or be intimidated by this threat of war.

Throughout the last 100 years British workers have never been cowed. Unemployment, poverty, lock-outs, hunger, homelessness, wars, persecution and imprisonment, closures and decline, casualisation, discrimination, blacklists, governments of every hue: workers have seen them all come and go. We still remain undefeated despite everything

capitalism has thrown at us.

Workers are thinking beings; workers are magnificent at organisation; workers are the saviours and future of Britain; workers are the only creators of wealth in Britain. We celebrate the last 100 years as the failure of capitalism, we celebrate the last 100 years for the tenacity of workers to resist, struggle and rise ever again.

We invite you to celebrate 100 years of historic working class struggle and plan for the future with the Communist Party of Britain (Marxist-Leninist).

Celebrate May Day with the Communist Party. All welcome
